Grant Opportunity

Recently the Nokomis Volunteer Fire Department has been awarded a SAFER Grant for the recruitment and retention of Volunteer Firefighters. This SAFER Grant will reimburse the student their costs for minimum standards fire school.

The Nokomis Volunteer Fire Department has partnered with the Englewood Fire Training Center to provide prospective candidates with their minimum standards fire training. For the upcoming January, 2012, minimum standards class the SAFER Grant will reimburse the tuition costs for the top eight (8) candidates that successfully pass the State Certification Exam on their first attempt.

Individuals interested in participating in this grant program can obtain additional information by contacting Asst. Chief Glenn Snyder with the Nokomis Volunteer Fire Department at nvfd3@comcast.net or, Asst. Chief Scott Lane with the Englewood Area Fire Control District at lane@englewood-fire.com.

The next minimum standards class at the Englewood Fire Training Center will begin in January, 2012. Individuals interested in attending this class can find additional information and download a class application by visiting the following link: <http://www.englewoodfiretrainingcenter.com/> and choose "Entry Process".
